## MADEIRA BY THE GLASS

Named after the Walt Whitman poem, "Manhatta," which celebrates New York, Manhatta draws inspiration from the city's diversity and vibrancy. Overlooking one of the oldest and most historic areas of New York City, we are proud to showcase our Madeira program—one of New York Harbor's most imported goods in the 18th century. The beverage of choice of the visionaries of the American Revolution, forged within the narrow streets below us, Madeira has always had a place at our table.
